

## **Bike and Pedestrian Planner**

Hennepin County Community Works

\$52,149 - \$64,883 Annually

**The Bicycle and Pedestrian team is seeking a strategic, flexible, and creative thinker to join their team as a Bicycle and Pedestrian Planner. Working as part of Hennepin County's Community Works Department, this position will assist with planning activities, technical analysis and implementation of the county's adopted bicycle and pedestrian transportation plans.**

**This is a limited duration (temporary), benefit earning position expected to last up to 2 years.**

### **Best Qualified Candidates will have:**

- Related bachelor's degree education and relevant planning analyst experience
- Experience:
  - With pedestrian and bicycle planning transportation planning and/or general transportation planning.
  - Using Geographic Information Systems (GIS) software such as ArcGIS, and Adobe Creative Suite.
- Ability to:
  - Understand and interpret planning materials and concepts.
  - Read and analyze technical materials.
  - Collect, analyze and prepare data for information and review by others.
  - Write technical papers and prepare information for internal and external audiences.
  - Develop, prepare and deliver presentations for small and large groups, public meetings and internal meetings.
  - Establish and maintain effective working relationships with others.
- Excellent verbal, written, and presentation skills.
- Basic computer skills including MS Office, internet, email/calendar
- Possess organizational and project management skills.

Hennepin County is well known for their employee [benefits](#) which includes: a comprehensive health and wellness package, employee discounts, PERA (a defined benefit retirement plan), saving plans, various insurance protection, family benefits, tuition reimbursement, paid parental leave, and much more.
