**From:** Charles Erickson, AICP – Community Development Manager  
**Date:** 7/18/2017  
**Re:** Community Development Intern Vacancy

The City of Greenfield is seeking to fill our single Community Development Intern position. I would appreciate it if you could “post” this position notice for students currently in the UW-Milwaukee Urban Planning Graduate Program and/or anticipated to start in the Fall semester. My desire is for this person to start sometime in late September/early October.

This is a paid internship at \$12.00/hr. The position consists of a flexible work schedule of approximately 8 hours per week during our normal 8:00 a.m. – 5:00 p.m., Monday – Friday schedule at the City Hall. Based on past interns, we are more than willing/able to work with a student to accommodate ‘course credit’ requirements. As an FYI only, the most recent intern (Matt Werderitch) worked here for two years throughout his enrollment in the MUP Program.

The basic duties are as follows:

- Assist in the preparation of staff notes/information packets for monthly Plan Commission meetings.
- Update the ‘Recent City Development’ webpage with information on current projects.
- Perform commercial and residential code enforcement relating to temporary sign violations.
- Assist in special projects that require basic knowledge of Geographic Information Systems (GIS).
- Conduct site inspections alongside city staff.
- Research information pertaining to comprehensive planning, zoning, and development.
- Attend meetings with residents, business owners, developers, and other public/private agencies.
- Perform other miscellaneous duties related to the Community Development Division operations.
- This Division is part of the City’s Department of Neighborhood Services (DNS), which also includes Engineering, Building Inspection, and Public Works. The internship will closely work with other City departments on various projects.

Interested candidates should submit a cover letter and resume by Friday, 9/15/17 via mail or email ( [Charles.Erickson@greenfieldwi.us](mailto:Charles.Erickson@greenfieldwi.us) ). An interview will be held with the candidates considered to be finalists before a final selection is made.

If there is any follow-up, please contact me at (414) 329-5342. Thank you
